

## Take a Hike: Dove's Landing

Saturday, Sept. 22 from 9:00 a.m. to Noon

Dove's Landing is a 235-acre undeveloped property with one mile of frontage along the Occoquan River, upstream from Lake Jackson. Prince William County acquired the property in March 2006 but has not yet opened the site for public uses. Join us and view this scenic property along the Occoquan River for yourself! The gently sloping landscape and open forest make for an easy hike for nature fans of all ages.

Please RSVP to receive information on the meeting location!
